MANUFACTURER'S LIMITED WARRANTY

QMC Cranes, LLC. makes no warranty, express or implied on any product manufactured or sold by QMC except for the following limited Warranty against defects in material and workmanship on products manufactured by QMC.

QMC warrants the products manufactured by QMC to be free from defects in material and workmanship under normal use and service for a period of six (6) months from the date of shipment. This limited warranty does not extend to any product of another manufacturer or to any part, component, accessory or attachment not manufactured by QMC. The warranty, if any, with respect to any product of another manufacturer or to any part, component, accessory or attachment not manufactured by QMC is limited to the warranty, if any, extended to QMC by the Manufacturer of the other product part, component, accessory or attachment.

This limited warranty does not extend to any product (or any part or parts of any product) which has been subject to improper use of application, misuse, abuse, operation beyond its rated capacity, repair or maintenance except in accordance with the sales and service manuals and special instructions of QMC, or modification without the prior written authorization of QMC (whether by the substitution of non-approved parts or otherwise).

The sole obligation and liability of QMC under this limited warranty (and the exclusive remedy for any purchaser, owner or user of QMC products) is limited to the repair or replacement, at the option of QMC, of any product (of any part or parts of any product) manufactured by QMC which, within six (6) months from the date of shipment, shall have been returned to the QMC facility in Fountain Valley, California (or any other location within the United States as shall be designed by QMC), at no expense to QMC and demonstrated to the satisfaction of QMC as being defective in material or workmanship.

To make a claim under this limited warranty, contact QMC or the QMC distributor from whom the product was originally purchased. A statement giving the model and serial number of the allegedly defective product, the date and a description of the alleged defect, the date of the purchase and proof of the purchase date must accompany the return product (or any part or parts of any product). Any product (or any parts or parts of any product) determined by QMC to be defective will be repaired or replaced, at the option of QMC, free of charge, FOB Sparks, Nevada. No credit will be given for any allegedly defective product (or any part or parts of any product) not returned to QMC.

There are no other warranties, express or implied, in addition to this limited warranty. This limited warranty is exclusive and in lieu of all other warranties, express or implied (in fact or by operation law or otherwise), including the implied warranties of merchantability and fitness for a particular purpose.

QMC shall not be liable for any special, indirect or consequential damages. Further, no representation or warranty made by any person including any representative of QMC which is inconsistent or in conflict with, or in addition to the terms of, the foregoing limited warranty (or the limitations of the liability of QMC as set forth above) shall be binding upon QMC unless reduced to writing and approved by an officer of QMC.

Tires, batteries, filter elements and electrical components are specifically excluded from this limited warranty.
